Your fund options

Target date funds

What year do you want to retire? That's all you need to know to choose a target date fund.

Why choose a target date fund?

- **Your investments automatically adjust.** They're more aggressive at first to grow your savings and become more conservative as you get closer to retirement to protect your savings.
- **Hands-off.** Once you've chosen your target date fund, you don't need to do anything else – unless things change.
- **Easy to start saving.** It doesn't take very much time to choose a target date fund and you don't need to be an investment expert.
- **A variety of investments.** Target date funds give you access to different asset classes, investment styles and investment managers – all within a single fund.

Choose your own investment options

It's the do-it-yourself approach to investing.

Why choose your own investment options?

- **Freedom.** Choose from a variety of investment options – whatever you want to match your savings goals.
- **Hands-on.** You monitor and change your investment options. You've got the power!
- **A variety of investments.** Helping you manage risk with as much variety as you want.

What happens if you don't make an investment choice?

Your money will be invested in your group plan's target date default fund if you don't make any investment choices. The fund will be based on your age when you join and the normal retirement age of the plan (determined by INFORMATICA SOFTWARE, LIMITED). Stay in the driver's seat and take time to choose investment options that work for your specific savings goals.

* If your response to question 11 or 12 is (a), you should re-evaluate your need for growth and carefully consider your desire for stability. Portfolios without fluctuations in values generally have no growth component. If you cannot tolerate loss, even short term, consider using money market funds or short-term guaranteed interest investments to meet your savings goals.

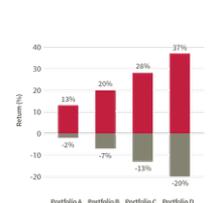

Section five Portfolio volatility

Investment portfolios aimed at providing higher returns tend to have greater swings in value (providing both gains and losses). The more aggressive your portfolio, the more pronounced these swings become, and the more often short-term losses can occur.

13. A portfolio is a basket of different investments.

Select investment options based on your investment personality

The following chart shows you what mix of investments is suggested for you. First match your final questionnaire total to the corresponding investment personality and portfolio. Then use the suggested mix of investments to select appropriate investment options. The risk meter shows the level of investment risk associated with each portfolio.

If your final total is between	Your investment personality is	Description of your investment portfolio	Suggested mix of investments
105 or less	Conservative	With a focus on income, this portfolio is designed for investors who are concerned about market ups and downs and prefer a regular income stream. A small equity component is included to help bolster returns above fixed income levels, while minimizing the risk.	 <ul style="list-style-type: none"> A 70% Fixed income B 15% Canadian equity C 10% Foreign equity D 5% Balanced* <p>* If you choose not to include balanced funds in your portfolio, our suggested asset mix is fixed income 75%, Canadian equity 15%, foreign equity 10%.</p>
106 to 135	Moderate	This portfolio is designed for investors who are willing to accept small market ups and downs to achieve some investment growth. The investment mix of more income than growth is managed to ensure lower volatility than other more aggressive options, while still providing a solid component for growth.	 <ul style="list-style-type: none"> A 50% Fixed income D 25% Balanced* B 15% Canadian equity C 10% Foreign equity <p>* If you choose not to include balanced funds in your portfolio, our suggested asset mix is fixed income 60%, Canadian equity 25%, foreign equity 15%.</p>
136 to 164	Balanced	This portfolio is designed for investors who prefer investment stability but understand market ups and downs are necessary to achieve growth. The investment mix is a balance of growth and income with reduced volatility.	 <ul style="list-style-type: none"> D 75% Balanced* A 10% Fixed income C 10% Foreign equity B 5% Canadian equity <p>* If you choose not to include balanced funds in your portfolio, our suggested asset mix is fixed income 40%, Canadian equity 35%, foreign equity 25%.</p>
165 to 199	Advanced	With a focus on growth, this portfolio is appropriate for investors who want some income, but are more interested in growth with some protection from market ups and downs.	 <ul style="list-style-type: none"> B 50% Canadian equity C 30% Foreign equity A 20% Fixed income
200 or more	Aggressive	This portfolio contains all equity investments. It's for investors who want the potential growth and aren't worried when the markets go up and down.	 <ul style="list-style-type: none"> B 60% Canadian equity C 40% Foreign equity

The suggested investment mix contains different asset classes, such as fixed income, balanced and Canadian equity. Use the asset class percentages to allocate your contributions to specific investment options that are in asset classes. For example, if you're investing \$10,000 in an aggressive portfolio, \$6,000 or 60% of your savings should go toward Canadian equity funds, and \$4,000 or 40% to foreign equity funds.

It's a good idea to invest no more than 25% of your investments in any one fund. For investment mixes where the recommended percentage is more than 25%, you may want to choose more than one fund in that asset class.

Fund performance and fees

Here's an overview of every investment option available in your group plan, organized by asset mix.

Here's a breakdown of what you're looking at:

Asset allocation funds: These are the target date funds you can choose from.

Fund name and Fund code: You'll need these when you fill out your forms with your investment choices.

Gross annualized rates of return: This shows how the fund performed over the past 1, 3, 5 and 10 years. It's important to know that past performance isn't necessarily an indicator of future performance.

Investment management fee and expense: This is a combination of the fees paid to the investment manager for professional services and the fees to operate the fund. It's the total amount charged on each of your funds without taxes.

Section 2. Group Plan

This certificate describes the rights and benefits of a Member of the Plan.

Section 3. Plan sponsor as Agent

The Plan Sponsor is required to provide the Issuer with any information or instructions required by the Issuer to administer the Plan.

The Issuer is entitled to rely on any information or instructions provided to it by the Plan Sponsor respecting a Member or on behalf of a Member as if such information or instructions were provided to the Issuer directly by the Member. Upon joining this Plan, the Member appoints the Plan Sponsor as the Member's agent for all purposes in connection with the provision of information or instructions to the Issuer respecting the Plan until such time as the Issuer receives notice that the Member is no longer a Member of the Plan.

Section 4. Investment Rules

The Issuer has established Investment Rules relating to the management of the guaranteed investments and variable investment funds available under the Plan. The operation of the Plan and the rights of the Members will be subject to the Investment Rules. The Issuer may amend the Investment Rules at any time and will provide the Plan Sponsor with prior notice of material changes wherever possible. From time to time changes to the Investment Rules may be imposed on the Issuer by fund managers and in those circumstances prior notice may not be possible.

Section 5. Contributions

Contributions to the Plan will be invested in a group annuity policy issued to the Plan Sponsor by the Issuer. The Issuer will establish separate accounts for each Member and Contributions received on behalf of each Member will be allocated to the Member's account. All Contributions must be within the limits permitted under the Applicable Legislation.

In the event of an overpayment, on written request, the Issuer will refund to the contributor any amount as provided in paragraph 146(2)(c.1), or any successor provision, of the Income Tax Act. The amount refunded cannot be greater than the value of the funds held under this certificate.

Section 6. Investment Options

Contributions will be invested in one or more of the various Investment Options which the Issuer makes available to the Plan from time to time, as directed by the Member and/or Plan Sponsor, as applicable, and will be allocated to the Member's account. If no election has been made by the Member, new Contributions will be invested in the default Investment Option(s) selected for the Plan. Contributions invested in an Investment Option will be subject to the Investment Rules. The Issuer may amend the terms of any Investment Option or add or withdraw any Investment Option at any time. The Issuer will provide 60 days notice to the Plan Sponsor of any material change to an Investment Option.

a) Guaranteed Investments

Contributions may be invested in guaranteed investments of various durations at guaranteed interest rates. Investments in the guaranteed investments described in this certificate are guaranteed both as to principal and interest. Contributions invested in a guaranteed investment will earn interest in the manner and at the rate applicable to that investment in accordance with the Investment Rules. The interest rate on any such investment is compounded daily and guaranteed until the end of the month in which the selected interest guarantee period expires.

At the end of the interest guarantee period of any guaranteed investment, the Member and/or Plan Sponsor, as applicable, may select any new interest guarantee period the Issuer is then offering, so long as it does not extend beyond the Maturity Date of this certificate. Alternatively, the Member and/or Plan Sponsor, as applicable, may select any other Investment Option the Issuer is then offering. If no selection has been made, the Contributions and interest will be reinvested for the same term, at the guaranteed interest rate in effect at the time of reinvestment.

Subject to the terms of this certificate, the Member may withdraw amounts from any guaranteed investment before the end of the interest guarantee period. If Contributions are withdrawn from a guaranteed investment, the value withdrawn will be calculated in accordance with the Schedule of Fees applicable to the Plan.

b) Variable Investment Funds

Contributions may be invested in variable investment funds. These funds are segregated funds offered and administered by London Life Insurance Company. Contributions invested in a variable investment fund are not guaranteed either as to earnings or as to principal. The value of the Member's account in a variable investment fund will fluctuate with the financial experience of the fund.

The assets of a variable investment fund belong to the Issuer but they are available only for the benefit of unit holders of the fund. If the Member invests a Contribution in a variable investment fund the Member will acquire units in the fund equal to the value of the Member's Contribution on the date the investment is made.

The Issuer determines the value of the units of a variable investment fund on each valuation date of that fund and investments into and withdrawals from a fund can only be made on a valuation date. Most funds offered by the Issuer are valued on a daily basis but the Issuer may value funds less frequently in accordance with the Investment Rules. The unit value of a fund on a valuation date is determined by dividing the value of the assets of the fund, less the investment management fee described below, by the number of units in the fund immediately before the valuation date.

An investment management fee is charged and includes a fee for managing the variable investment funds, a fee for providing other services under the Plan and may include an amount for administrative expenses and other services under the Plan in accordance with the Schedule of Fees applicable to the Plan. This fee may either be deducted from the value of the assets of the fund (as part of the calculation of the unit value of a fund), or with the consent of the Issuer, the Plan Sponsor may elect to pay this fee separately.

Section 7. Benefits - Income at Maturity

If the Member is living on the Maturity Date the Issuer will liquidate the value of funds held in the Member's account and apply the value to provide a retirement income fund for the Member from the issuers of retirement income funds, including its affiliates, as the Issuer in its sole discretion may select, and the Member hereby appoints the Issuer as the agent for this and any related purpose. The Issuer will not be liable for any resulting loss. If the Member prefers, by notice to the Issuer, the Member may elect another form of retirement income that the Issuer is offering at that time and which is permitted for a retirement savings plan.

If an annuity is selected as the Member's retirement income, the Issuer undertakes to provide an annuity that provides for annuity payments in equal periodic amounts payable yearly or more frequently. The annuity will be issued in accordance with the Issuer's rules and issue rates for annuities which are then applicable. The Member must provide the Issuer with satisfactory proof of the date of the Member's birth and sex on or before the Maturity Date. If there has been any misstatement, the Issuer will make any adjustments it considers equitable.

Any annuity provided must comply with subsection 146(1), or any successor provision, of the Income Tax Act. Annuity benefits payable to the surviving Spouse or Common-law Partner of a Member following the death of the Member may not exceed the annuity payments which were being made to the Member before the Member's death, except for increases due to indexing as permitted under subparagraphs 146(3)(b)(iii)(iv) and (v), or any successor provision, of the Income Tax Act. If the beneficiary under the annuity is not the Spouse or Common-law Partner of a Member at the date of the Member's death, the present value, as determined by the Issuer, of any remaining payments will be paid in one sum and the annuity will be terminated.

If this certificate is governed by laws of the province of Quebec, the group annuity policy was established on or after March 1, 2006 and a single life annuity guaranteed for a period of 10 years is selected as the Member's retirement income on the Maturity Date, the amount of the annuity payments will be determined by multiplying the value of the Member's account (less any applicable fees and charges) by the greater of i) the Issuer's then current annuity rate for a single life non-participating annuity with a guaranteed period of 10 years; and ii) \$3.47 for each \$1,000 of that value, if the Member is male, or \$3.23 for each \$1,000 if the Member is female. However, if an annuity or another settlement option is not selected by the Maturity Date, the value of the Member's account will be used to purchase a retirement income fund for the Member. Payments under the retirement income fund will commence in accordance with the terms of the retirement income fund contract. The retirement income fund contract will mature on the date the Member attains 100 years of age but not later than the 28th day of that month (the RIF Maturity Date). If the Member attains age 100 after the 28th of the month, the Member will be deemed to have attained age 100 on the 28th of the month. An annuity will commence on the RIF Maturity Date; however, the Member may elect to commence annuity payments prior to the RIF Maturity Date on the then current terms and conditions. When annuity payments commence, they will be equal monthly amounts and will be payable to the Member for life and cease on the Member's death. The amount of the annuity payments will be determined by multiplying the value of the funds held in the retirement income fund for the payment of the Member's annuity (less any applicable fees and charges) one month before the date annuity payments are to commence by the greater of:

- i) the Issuer's then current annuity rate for a single life non-participating annuity with no guarantee period; and
- ii) for each \$1,000 in the retirement income fund:
 - if the Member is male and the Member elects to commence annuity payments
 - in the month next following the month the Member attains the age of 80 years, \$5.89;
 - in the month next following the month the Member attains the age of 90 years, \$8.55; or
 - if an election is not made the rate will be \$8.61 in the month next following the RIF Maturity Date when the Member attains age 100.
 - if the Member is female and the Member elects to commence annuity payments
 - in the month next following the month the Member attains the age of 80 years, \$5.37;
 - in the month next following the month the Member attains the age of 90 years, \$8.36; or
 - if an election is not made the rate will be \$8.61 in the month next following the RIF Maturity Date when the Member attains age 100.

Section 8. Withdrawal of Funds

Subject to the terms of this certificate, on or before maturity, the Member may withdraw all or part of the value of the Member's account by giving notice to the Issuer and may elect:

- i) to purchase any form of annuity that the Issuer is offering at that time and which is permitted for a retirement savings plan with payments commencing no later than the Maturity Date;
- ii) to transfer the funds directly to a retirement income fund, another retirement savings plan or a registered pension plan as permitted under the Income Tax Act; or
- iii) to receive payment in cash.

The value of the Member's account will be reduced by the amount of any withdrawals.

All such elections will be completed in accordance with the Administrative Rules and the Investment Rules.

Notwithstanding the above provisions, the Plan Sponsor may impose restrictions on withdrawals and/or transfers to which the Member will be subject during the duration of the Member's eligibility under the Plan.

Section 9. Termination of Plan or Membership

If the group annuity policy of this Plan is terminated or if the Member ceases to be eligible to participate under the group annuity policy, no further Contributions may be made under this certificate. When the Issuer receives notice that such an event has occurred, the Plan Sponsor will cease to be the Member's agent and the Issuer may, without accepting any obligation or responsibility to do so, withdraw (for Quebec, make a single annuity payment) or transfer the value of the Member's account from the Plan. The Issuer may exercise this right at any time. The Member will be given 60 days from the date the Issuer receives notice of the occurrence of the event to provide the Issuer with withdrawal or transfer instructions. If the Member does not provide such instructions within the 60 day period and the Plan Sponsor does not permit the Member to remain in the Plan, the Member will be deemed to have instructed the Issuer to transfer the value of the Member's account to another retirement savings plan as the Issuer deems appropriate, and hereby appoints the Issuer to be the Member's agent for this and any related purpose and the Issuer hereby accepts such appointment. In the alternative, if another retirement savings plan is deemed to not be appropriate, the Issuer will pay the proceeds to the Member in cash.

The beneficiary designated by the Member under this certificate will also serve as the beneficiary designation under any alternate retirement savings plan issued to the Member by the Issuer to replace this certificate upon the termination of the group annuity policy or the Member's eligibility to participate under the group annuity policy, until and unless the Member changes or revokes such beneficiary appointment.

The Issuer may, on its own or at the request of the Plan Sponsor, resign as issuer, and allow for the appointment of a successor issuer. The Plan Sponsor will advise the Issuer of the identity of the successor issuer within 60 days of such resignation, and upon the transfer of all Plan assets to the successor issuer, the Issuer will be discharged from any further liability under the Plan.

Section 10. Limitation of Liability

The provision of a life annuity, or another form of annuity settlement option, or a withdrawal or transfer of the value of the Member's account, will constitute a full and final settlement of the rights of the Member or beneficiary, as applicable, with respect to the Plan, as against the Plan Sponsor, any employers authorized to participate in the Plan, any agents of the Plan Sponsor, the Issuer and any agents of the Issuer.

Section 11. Legal Actions

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* (for actions or proceedings governed by the laws of Alberta and British Columbia), *The Insurance Act* (for actions or proceedings governed by the laws of Manitoba), the *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the *Quebec Civil Code*.

Section 12. Death of the Member

The Member may designate a person to receive all amounts payable to a beneficiary under this certificate. The Member may change or revoke a revocable beneficiary designation as permitted by law. If the Member dies before the value of the Member's account has been applied to provide an annuity or have been withdrawn or transferred, the Issuer will pay that value to the beneficiary in one sum in accordance with the Issuer's then current practices. If the Member dies and had named his or her Spouse or Common-law Partner as beneficiary, the Spouse or Common-law Partner may transfer the value of the Member's account into another registered retirement savings plan, purchase an annuity, elect a lump sum payment, or transfer the funds to a registered retirement income fund in accordance with the Applicable Legislation.

Section 13. Registration under the Income Tax Act

The Issuer will apply to register each Member's plan as a registered retirement savings plan under the Income Tax Act and any similar provincial legislation. The Issuer has the right to amend, at any time and without notice, the terms of this certificate as the Issuer considers necessary so that the Plan will continue to qualify for registration.

All rights of a Member are subject to the requirements of the Income Tax Act, any similar provincial legislation and, if locked-in funds are held under this certificate, to the requirements of the relevant provincial or federal pension legislation.

Except as specifically permitted under the Income Tax Act, no benefit, loan or indebtedness that is conditional in any way on the existence of the Plan or this certificate may be extended to the Member, contributor or a person with whom the Member does not deal at arm's length. A Member may not engage in any transaction, investment, payment or transfer which is or may be an advantage, an RRSP strip or a swap transaction under Part XI.01 of the Income Tax Act. The Issuer will not make any payments under the Plan except those specifically permitted by the Plan or the Income Tax Act or required by law. The Issuer reserves the right to prohibit any transaction, investment, payment or transfer, whether an advantage, an RRSP strip or a swap transaction under the Income Tax Act, or such other payment or transfer which is or may be prohibited or penalized under the Income Tax Act.

Section 14. Locked-in Pension Funds

If locked-in pension funds are transferred to the Plan, such funds will be

governed by the provisions of the Locked-in Addendum. To the extent of any inconsistency between the addendum and this certificate, the Locked-in Addendum will override the terms of this certificate.

Section 15. Taxes

All fees and charges payable to the Issuer are net of any applicable taxes and any such taxes will be payable or recoverable in the same manner as the fees and charges to which they relate.

Section 16. General Provisions

Any notice to the Issuer must be in writing or such other form as may be agreed upon between the Issuer and the Plan Sponsor. Such notice will be effective when received at the Head Office of the Issuer.

Any notice to the Plan Members will be in writing and will be effective on the date it is received. Notice to the Plan Sponsor will be considered notice to each Member.

The Issuer may amend the terms and conditions of the certificate issued to Members upon 60 days notice to the Plan Sponsor, unless otherwise specified. Continuation in the Plan after the effective date of such amendment will constitute acceptance of such amended terms.

If the Issuer agrees to amend or waive any provision of this certificate the amendment or waiver is effective only if it is in writing and signed on behalf of the Issuer by an authorized officer of the Issuer.

This certificate and the Member's rights and benefits under this certificate are not assignable, except to the extent permitted under the Income Tax Act and any similar provincial legislation upon marriage breakdown.

A Member or claimant may request copies of documents to which the individual is entitled to receive under the Applicable Legislation.

All payments to or by the Issuer will be in legal Canadian currency.

The Issuer may delegate some or all administrative functions to an agent. Notwithstanding any delegation to an agent, the ultimate responsibility for administering the Plan in accordance with the Plan's terms lies with the Issuer.

The Plan is subject to the Applicable Legislation. To the extent of any inconsistency between the Plan and the Applicable Legislation, the Applicable Legislation will override the terms of the Plan.
